Bay Area film to be screened

Wednesday, 02.27.2008, 02:41am (GMT-7)

FREMONT, CA: Sunny Moza and his team are going to screen their latest project - a short movie 'Kurse - The Night of Halloween' on February 29. As the name suggests, the genre of the movie is horror.

'Kurse' is their third short movie after MahaBatein (Hindi, 30 min) and Choices (English, 20 min). 'Kurse' is in Hindi and will have English subtitles.

It also includes original background music by Praveen Chaddha. This project showcases the efforts of independent, creative local individuals in the Bay area. 'Kurse' is a low/no-budget movie shot in Fremont.

It is the result of hard work of a highly passionate team. This movie is another baby-step towards having a full-fledged local film industry.

The movie will be screened at Club Albertos, 736 W Dana St., Mountain View, on Feb 29 at 9 pm, which will be followed by a Bollywood-style after party.

The DVD of 'Kurse' will include the movie, an alternate ending, previews, behind-the-scenes, auditions and other features.
